National Assessment of Educational Progress (NAEP) Resources

The following links provide additional resources for the National Assessment of Educational Progress: The following are links that provide more information on NAEP resources.

- **NAEP Questions Tool** – NAEP releases test questions each year. This site provides easy access to NAEP test questions, student responses, and scoring guides that are released to the public. Both national and state data, where appropriate, are presented.

- **NAEP Data Tool** – This tool provides you with tables of detailed results from NAEP’s national and state assessments. The data are based on information gathered from the students, teachers, and schools that participated in NAEP.

- **Information for Parents** – This site answers questions commonly asked by parents of students who have been selected to participate in NAEP.
