GENERAL INFORMATION

Average Daily Membership

This is the average number of students on attendance rolls during the first 40 days of school.

Year	ADM
2001-2002	2,177.0
2000-2001	2,226.2
1999-2000	2,275.2

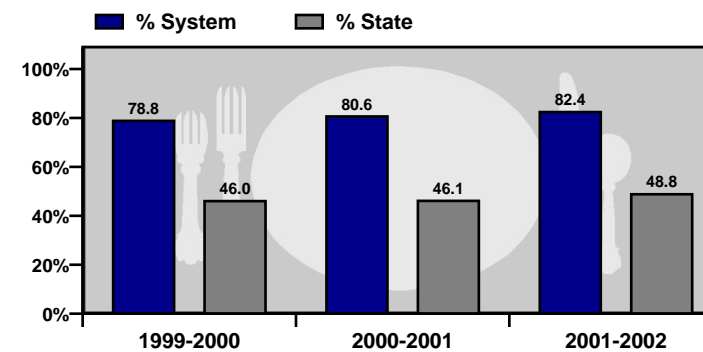

Average Daily Attendance

This is the percent of students that attend school each day.

Students Eligible for Free or Reduced Price Meals

This is the percent of students that applied for and were approved as reported on the First 40-Day Attendance Report. It is an indicator of poverty.

Technology

Internet access and computer use in schools. A lower number indicates greater student access to technology.

Career/Tech Education

These programs are forming partnerships with business and industry to align curriculum with their standards. The goal is to certify all programs to industry standards by 2003. The number indicates the percentage of high school programs that have been certified. The letter grade measures whether or not these programs are on track to meet that goal.
